Hawaiian Electric Company.

The cleanest, brightest and really the long run, the cheapest and best light for use in the family residence, is the incandescent electric light. Safe; nothing could be safer. A few days ago a prominent gentleman of Honolulu came rushing down to the office of the Electric Company and said: "Give me figures for wiring my house, and I want it done at once; no more lamps for me, last night a lamp tipped over and it burned my children and I take no more risks." This is the sentiment of quite a number in the past few weeks, who have ordered their houses fitted with the perfect light. Just think it over and make up your mind that you want the best and safest light; send the Hawaiian Electric Company and tell them what you want.

Indigestion

No Appetite, General Weakness.

If your food is only partly digested, then the body is only partly nourished. The blood rapidly becomes thin and filled with impurities, the nerves are easily exhausted, there is headache, restlessness, and the whole system is greatly debilitated.

Mr. A. Chaffourier, of Wagga Wagga, New South Wales, sends us his photograph and the following testimonial:

"While reporting for the local and metropolitan press in Riverina, I contracted a severe chill which developed into a general weakness of my digestive organs. A short course of

AYER'S Sarsaparilla

enabled me to continue my work all right. My appetite improved, my taste for food came back, and my general health was greatly improved in every way."

When taking the Sarsaparilla, it is best to use Ayer's Pills also. Take just enough each night to produce one good free movement of the bowels daily.

BRILLIANT ENDORSEMENT.

By Health Journal of New York, August 24, 1899—J. A. Davis, M.D., Editor and Manager.

Only last week we examined the beer brewed by the Capital Brewing Company of Olympia, Wash., and it is a perfect illustration of the quality of beer which we are always glad to commend, for the analysis showed it to be entirely free from any trace of any injurious substance. Such a high grade of beer is most beneficial in its use, for none of the pure malt and hops have been displaced by harmful ingredients. Every hygienist will concur with us in saying that a beer of such superior excellence is a very wholesome beverage. Physicians often have occasion to prescribe a pure beer for cases of debilitation, and they can safely order this beer, made by the Capital Brewing Company.

L. H. Dee has in his keeping the American Journal of Health and can be seen by anyone. This beer can be had in bottle or on draught at the HOFFMAN, corner of Hotel and Nuuanu streets. A large assortment of the very best of American and foreign liquors are we pleased to sell you and give you value for the merit of your health.

Yours, L. H. DEE, Proprietor of HOFFMAN.

MONEY FOR IMAGINATION

DESKY WANTS A NAME FOR HIS NEW HOTEL.

Site of the Hotel is in the Upper Altitudes of Pacific Heights With a Wonderful Scenic Prospect.

There is a chance for some one with a poetical vivid imagination and a good pair of legs to make a hundred dollars in gold.

Bruce Waring & Company want a name for the new hotel they are going to build on Pacific Heights. Its site is near the top of the Pacific Heights, on a beautifully leveled site space terraced many feet above the building sites immediately below it, and commanding one of the most remarkable views to be found anywhere in the islands. The site extends Ewa way to where the heights descend in a sheer precipice of many hundred feet to Nuuanu valley. Toward the sea the view comprehends the whole city of Honolulu, the harbor, and the ocean as far as the eye can see. On a clear day the coast of Molokai can be discerned beyond Diamond Head, and that commanding prominence itself is seen so clearly that almost feels as if he could stretch forth his hand and touch it. Just over the ridge that rises to Tantalus the line of vision extends landward of Diamond Head, embracing the coconut palms and the ocean beyond. In the other direction, Pearl Harbor lies distinctly outlined in the distance, a wonderful panoramic view, with the Waianae mountains beyond, while toward the ocean on the other side of the island, Nuuanu valley rises, clearly seen to the very gates of the pass over the Fall. There is enough in the view to stimulate imagination to devise a name that would suggest all this. The good pair of legs is needed to get up and see it. They will not be needed very long because rapid transit to it will be provided very soon.

The site for the hotel is already prepared. Building operations will begin as soon as the rainy season is over. The plans are being prepared, and the stock has all been taken. The hundred dollar prize will be given to the one who suggests the most appropriate name for the hotel.

A Mr. Williamson from the States is having a fine residence built on the Heights not far from the reservoir. It is now nearly completed. Another one has been started at about the same elevation. The pipe line from the upper Paoa valley has been completed bringing a full supply of water to the whole tract.

NOT TO AGUINALDO. The Ohio State Journal says, "McKinley's record is an open book." The Sultan of Sulu is ready to admit that it is an open pocket-book.—The Omaha World-Herald.

SYMPTOMS OF PNEUMONIA. Pains in the chest when a person has a cold indicate a tendency toward pneumonia. A piece of flannel dampened with Chamberlain's Pain Balm and bound on to the chest over the seat of pain will promptly relieve the pain and prevent the threatened attack of pneumonia. This same treatment will cure a lame back in a few hours. Sold by all dealers and druggists. Benson, Smith & Co., general agents, Hawaiian Islands.
